

## ARGENTAX CUTTEX 18 MM

NO. 46202

### CLASSIC CUTTER. WITH AN 18 MM POLYSTYRENE BLADE.

If you are looking for a mature cutter with a variable blade extension, the ARGENTAX CUTTEX 18 MM with a wide polystyrene blade is a very good choice. Just like its narrow "brother", the ARGENTAX CUTTEX 9 MM, it fits very well into your hand. But it is not just useful for cutting cardboard boxes, cardboard and paper, but also adhesive and other types of tape. You can easily change the bendable blade.
