

GRAFIX BOY

NO. 31133

IF YOU ARE PARTICULAR ABOUT DETAILS. WITH A ROUNDED-OFF TIP.

GRAFIX BOY is something of a "fine fellow" among scalpels. That's because it is suitable for particularly precise and delicate cutting work. Or for careful erasing. You hold the cutting tool made of aluminium in your hand as you would hold a writing instrument. It is also very uncomplicated to handle, for example, blade changing.
