

## SCRAPEX ARGENTAX

NO. 46144

TOP FORMING, TOP FORM.

It really feels good, the large, rounded handle of the SCRAPEX ARGENTAX. But even the performance of this classic scraper convinces. So you can free all smooth surfaces from residue and remains with it - no matter whether at work or at home. When you're done, push the protective cap over the blade, and everything is safe.

Order number  
46144.02

---
