

FERRATA KIT MEDALE 360

FERRATA SET | WITH SWIVEL

New Y-shaped via ferrata set with stainless steel swivel that prevents the elastic arms from twisting.

Main features:

- Made with 20 mm elastic webbing and Tango double gate safety connectors.
- Equipped with high-strength stitching and a more compact dissipator made of PES, which can be easily inspected thanks to the practical zippered pouch.
- Complies with the safety requirements of the newly revised EN 958:2017 standard for loads between 40 and 120 kg
- Total set length: min. 90 cm - max. 130 cm

Product available for the Spring/Summer 2024 season
