TL-CF2

TL-CF2 is a Flame Detector tester for UV/IR and IR3 Model to verify its response within a short distance.

Highlights

• Approval for Explosion-Proof

• Portable device

• Specialized for Rezontech UV/IR and IR3 type of flame detector

• Suitable for hazardous areas such as gas stations, gas plants, oil refineries and chemical facilities

• Available to use average 3.5 hours

Specification

• Model : TL-CF2
• Size : 140 x 255mm
• Material : Aluminum
• Weight : 3.5kg
• Test range : Average 5m
• Explosion proof :Ex d IIB+ H2 T5 IP66/67 (KCs)
