

SECURE Headband

Passive hearing protection

The SECURE headband style hearing protectors offer great comfort and quality to all professional users. The slim profile design increases stability and reduces the risk of snagging in confined areas. Light and durable headband construction with soft cushions and easy size adjustment provides a perfect fit for all head sizes. The soft ear cushions, easily replaceable with the “snap-in” system enable regular replacement for a long lasting and high performing product. Easily convert the headband to a visor/earmuff combination with Hellberg’s face protection system (SAFE 1).

Available in three protection levels, clearly indicated with bright safety colours for easy identification and selection.

Features

- » Slim stirrup design reduces the risk of snagging in confined areas
- » Colour coding for easy selection and identification
- » Comfortable cushions with smart “snap-in” system for easy replacement
- » Smooth telescopic size adjustment for precise and stable adjustment
