

HELMETS

KOSMOS

Innovative multi-sport helmet certified for mountaineering-climbing and skiing. Made with "in molding system" technique, that ensures maximum lightness and strength. Kosmos can be equipped with earmuffs and internal removable cap (not included) that allow you to quickly transform from lightweight helmet for climbing to a warm and comfortable winter version for skiing.

Available in two colors, black and white with "carbon" finishing and in two sizes.

High quality product, made in Italy!
