

HELMETS

KOSMOS FULL

Innovative multi-sport helmet certified for mountaineering-climbing and skiing. Made with "in molding system" technique, that ensures maximum lightness and strength. Kosmos Full is equipped with earmuffs and internal removable cap (included) that allow you to quickly transform from lightweight helmet for climbing to a warm and comfortable winter version for skiing. Available in two colors, black and white with "carbon" finishing and in two sizes.

High quality product, made in Italy!

Usage activities

CLIMBING

MOUNTAINEERING

SNOW & ICE
